

Digital Seva to Veda Paadasaalai

To Whomsoever it may concern

We would like to introduce ourselves as Mr. Muthukumar, retired civil engineer from Vadapalani-Chennai, and Mr.N.V. Natarajan, software professional from USA. We are interested in fostering the growth of Veda Paadasaalai to increase the awareness of traditional Hindu culture among the new generation of Indians. We firmly believe that, in the present digital world, having a website for each Paadasaalai will improve the visibility of those Paadasaalais and help them connect with current and future donors along with increasing their outreach to alumni, current and prospective students.

In this regard, we want to extend our technical expertise and provide the following services, at no cost, to your Paadasaalai activities:

- 1) Cloud-hosted website, unique for each Veda Paadasaalai
- 2) Pertinent Content
 - a) Name, Contact info (Address, email, phone #, etc)
 - b) Paadasaalai Promoter details, like trustees, main donors, etc
 - c) Vedic activities performed,
 - d) Course syllabi, no of students
 - e) Infrastructural facility details
 - f) Alumni Page, details on passed out students
 - g) Immediate and long-term facility needs
 - h) Current and future maintenance and expansion plans
 - i) Statutory licensing details, available tax benefits, etc
 - j) Photos of the Paadasaalai.
- 3) Provide basic digital infrastructure like Data card, tablet, laptop, etc. for the Paadasaalai administration to access the website and communicate with interested individuals.

If you are interested in accepting these services, please respond to this email and let us know. We can have a virtual conversation to discuss scope, service, and timelines.

You can submit your information using <https://forms.office.com/r/3W3Jsv2NDj>

Please do note that this is our first foray in providing services of this nature. So we request your patience and tolerance as we mature in meeting your needs in a timely manner.

Thanks
